Dear Parents and Guardians,

I write to you today to reassure families impacted financially by the coronavirus (COVID-19) pandemic that we want to assist you in every way possible to continue your child's enrolment at St Michael's.

As many in our school community grapple with unprecedented changes to finances, emotional wellbeing and physical health, we have taken a clear position on enrolments. No parent or guardian who wishes their child to receive a Catholic education at St Michael's will be denied the opportunity to do so because of financial circumstances.

If you have concerns about your financial situation, please contact me directly so that we can explore confidential financial support arrangements to enable your child's ongoing education at our school. We are absolutely committed to working with our families as we get through these challenging times.

If you have any questions or concerns regarding these arrangements, please do not hesitate to contact me via email (principal@smashburton.catholic.edu.au) or by phone on 9885 3105.

Thank you for your continued support of our St Michael's community. This support will enable us to continue to provide rich and engaging learning activities, and strong pastoral support for all of our students.

Yours sincerely

Meredith Bennett
Principal
