

16<sup>th</sup> July 2021

Dear Parents and Caregivers,

Thank you for your ongoing support during these challenging times. On Monday and Tuesday, our Google Meets will take place to support our students during Remote Learning. The following timetable explains the timing of our Meets

During these two days, staff who are working onsite will not be leading Google Meets for that day, except for the morning Meet at 9am for approximately 15 minutes. Students in these teachers' classes are invited to join the Meet of another class in their year level. Teachers will be providing a link in their timetable to another class that their students can join.

All links for our Meets will be shared with families on Sunday afternoon at 6pm. Our specialist teachers will teach classes during the afternoon session, at either 1:30pm or 2:30pm.

If you have any questions, please feel free to contact me.

Kind regards,

Meredith Bennett  
Principal
